- 1.5 A service request is a request from a resident requiring action to be taken to put something right. (e.g., to carry out routine maintenance etc.) **service requests** are not a **complaint**. Service requests should be dealt with in accordance with the Residents' Handbook. Failure to deal appropriately with a service request may lead to the matter being dealt with as a complaint.
- 1.6 Service requests will be recorded, tracked, and monitored to completion.
- 1.7 A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Augustinian Care, St George's Park will not stop our efforts to address the service request if the resident raises a complaint.
- 1.8 An expression of dissatisfaction with services made through a resident's survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to.

Complaints Procedure: Care Matters

We aim to resolve complaints quickly, effectively and wherever possible, to your satisfaction. If you feel dissatisfied with a particular service, or the way you have been treated by us, you may complain using the process outlined below. We will not treat you any differently if you make a complaint.

If your complaint relates to **housing**, please see our separate procedure for housing matters. A copy is available from the concierge.

How to complain

We have two simple stages in our complaints procedure to make sure that matters are dealt with quickly.

Stage one – Contact the Domiciliary Care Manager

In the first instance, please contact the Domiciliary Care Manager in person, or by phone, e-mail or letter, or complete a Complaint Record form. If you make a verbal complaint, we will note down the details and ask you to confirm that they are correct, and then treat the complaint like any written complaint.

Please provide as much information as possible and let us know if there are any specific actions that you would like us to take. The Domiciliary Care Manager will aim to respond to you within 10 working days. If we need more time to investigate your complaint, we will agree a new deadline with you.

Stage two – Review by the Chief Executive Officer and Care & Development Manager

If you are not satisfied with our initial response, please let us know as soon as possible and we will escalate your complaint to a review panel comprising the Chief Executive Officer and the Care & Development Manager. You do not need to attend the panel meeting but will be welcome to do so if you wish, and to be accompanied. The panel are to be present. Our final decision on your complaint will be provided within 20 calendar days of the panel's meeting.

We will cooperate in the same way with an intermediary acting on your behalf. We will provide a final decision in writing within 30 calendar days of receiving a written complaint, unless we have previously agreed a later deadline.

If you have been through our complaints procedure and are not satisfied with our final decision, or we fail to provide that decision by the relevant deadline, you may refer your complaint to The Local Government and Social Care Ombudsman.

As an 'ARCO Approved Operator', we seek at all times to comply with the ARCO Consumer Code (see www.arcouk.org). ARCO itself does not have a complaint handling function but has nominated The Property Ombudsman as its Alternative Dispute Resolution (ADR) provider. Where we are unable to resolve satisfactorily any complaint from you about compliance with the ARCO Consumer Code, you may refer this to The Property Ombudsman. You should normally make any referral within 12 months of receiving our final decision, to facilitate the Ombudsman's investigation.
